6. How to Choose A Study

There are 5 primary ways to do a Bible Study for Small Group discussion:

1. Write your own Bible Study and discussion questions
2. Parkway App Digital Library
3. Just using the Bible, using something like the SOAP method or Discovery Bible Study
4. Physical book study or Bible Study Workbook
5. Streaming video Bible Study with discussion questions

If you're unsure what to do, a great place to start is our recommended library on RightNow Media.
