About Parkway Fellowship

Our church mission is, **"To reach the lost at any cost and grow them to maturity."** We have a vision to effectively minister to 10% of our community every week.

We currently have two locations. Our original location is at the apex corner of three major cities—Richmond, Katy, and Fulshear—while our second location is in the heart of north Katy.

Parkway first opened in 2003 as a portable church meeting in a local high school. After reaching more than 500 people in attendance, the church had enough people and resources to acquire land and build a building in 2010. Since then, Parkway has expanded its facilities twice, opened a second location, and started an online venue.

Parkway Fellowship has an average weekly attendance of more than 4,000 attendees and a thriving Youth Ministry serving students across our locations.

Parkway Fellowship has appeared on Outreach Magazine's list of the Top 100 Fastest Growing Churches in America five times, most recently in 2026.
